Okey-doke! NOW let's get started!

Hi! I'm Sunny, and I'm going to hang out with you as we make this journey of Spiritual Awakening together!

Ready... set...

**LET'S
GO!**

DO YOU DREAM of achieving Spiritual Enlightenment some day? Who doesn't! But try asking yourself a few tough questions:

Have you ever wondered if. . .

. . .you are merely *dreaming* YOUR OWN LIFE?

. . .you've *never* had a SINGLE WAKING MOMENT?

. . .you are *asleep* RIGHT NOW?

Sound crazy? *Sure it does!* But countless studies by Major Universities and Independent Labs have shown that MOST PEOPLE go through their ENTIRE LIVES in a state of DEEP TRANCE, *from which they never emerge!*

The sad truth is that the vast majority of us, including the people you interact with *every single day*, are completely asleep, and don't even know it!

And even worse, YOU TOO may be one of these unfortunate people who goes through their entire life without ever experiencing a single moment of Full Waking Consciousness!

Don't you think it's time for a change?

But first, I need something from you!

No, it's not money or adulation or trust or even your firstborn child (LOL!!!). I just need you to answer one question as honestly as you can. Ready? Here it is:

How much would you pay for
Total Spiritual Illumination?

A *hundred* dollars? A thousand dollars? A MILLION dollars?

Wait! Don't tell me yet! This is just something for you to think about for now. How much are your house and your car and your bank accounts *really* worth if you're not *really* awake to enjoy them? NOT MUCH, right?

Did you know that...

- MOST people go through life never realizing their True Spiritual Potential?
- YOU could be living in Profound Spiritual Bondage right now, and not even KNOW IT?!
- Spiritual Enlightenment is not the private domain of the few but the Inalienable Birthright of ALL?
- The failure to achieve Spiritual Enlightenment is a leading cause of Conflict, Misery, Disease, Confusion and even DEATH in the world today?
- **GOD HIMSELF** wants you to enjoy the Joy and Bliss of the Fully Awakened Life?

*If you didn't know that,
then friend, this is...*

YOUR LUCKY DAY!!!

Now, for the first time in human history, you can achieve the highest levels of Peak Spiritual Excellence and deepest levels of Profound Spiritual Depth...

*All from the Comfort and Privacy of Your Own Home!
(And for a lot less \$\$\$ than you might think!)*

Sound good?

Heck Yeah!

“Tell me more! Tell me more!”

*Now that you're getting the hang of it... let's try
a few more questions!*

Have you ever suspected that you were

BORN for MORE?

Have ever wished that you could be up to

73% HAPPIER?

Have you ever wondered if it might not be

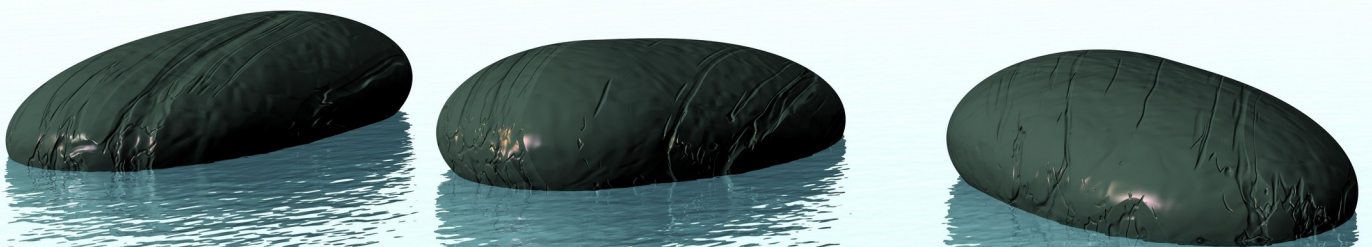

NOW or NEVER?

Then read on, because...

I have some

Very Exciting News

just for you!

Howdy Folks!

My name is Sri Sri Master Guru Ned McFeely, but let's dispense with all those tiresome formalities...

You can call me Master Ned!

And at the risk of sounding immodest, yes, it's TRUE! I am a...

**Fully-Realized, Totally Enlightened,
Card-Carrying Spiritual Master!**

That's right! I am totally, completely, absolutely SPIRITUALLY ENLIGHTENED, and let me tell you, folks, people like me do not grow on trees! It took years of hard work and dedication to get where I am today. But because I put in all that hard work, I can show you how to make the same journey in a fraction of the time and with a whole lot less effort!

Sound good? You bet!

And let me tell you from my own personal experience, being enlightened is...

Super EASY and Super FUN!!

“But wait, Master Ned!” you say. “I thought it was, like, really hard to become Spiritually Enlightened?”

No way, Jose! If books, magazines and the internet have taught us *anything*, it's that anyone can convince themselves they're enlightened. Maybe those guys do grow on trees, but that doesn't mean they want to share the wealth with *you!*

THE WORLD COMMUNITY of spiritual teachers, authors and gurus is like an elite club. They want everyone to think awakening is really hard so they can keep it *all to themselves!*

Well, I'm here to CRASH their little party!

Why should those folks have all the fun? Why shouldn't you get a seat at the table and a slice of the pie and a piece of the action? All you really need is a friend on the inside...

And I want to be that friend!

"You can tune a chakra,
but you can't tuna fish!"

Enlightenment for Spiritual Dummies

- Chant and chew gum at the same time.
- Perform energy-body circumcisions.
- Access Akashic records for fun and profit.
- End suffering for all sentient beings.
- Start your own ancient lineage.
- Be a big hit at parties.

And much, much more!

Why wait?

Sri Ned McFeely

*Maybe you know me as the super-successful author of
Enlightenment for Spiritual Dummies, which will be a
mega-bestseller as soon as I finish writing it!*

And before you ask... Heck No!

You do NOT have to go to India or Tibet or Japan. You do NOT have to grovel at the feet of a so-called master or twist yourself up like a pretzel and subject yourself to mind-numbing boredom just to become enlightened! Gosh, if Spiritual Enlightenment isn't fun, *what's the point!*

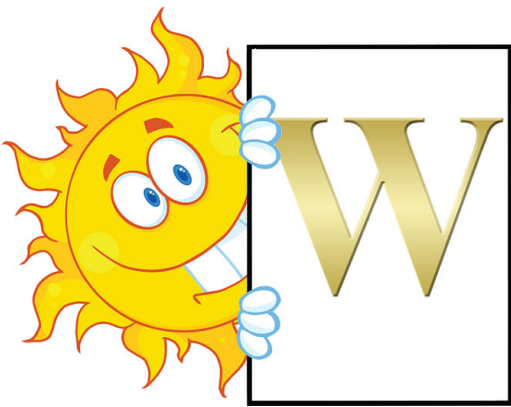

Over my many years as an Enlightened Spiritual Master, many people have come up to me and said:

"Hey, Guru Ned, you're a Fully-Realized, Totally Enlightened, Card-Carrying Spiritual Master, why do you bother trying to enlighten the rest of humanity when you could just go off and live a life of Radiant Bliss and Transcendent Joy, and not get dragged down into the seedy underbelly of a spiritually benighted humanity?"

Wow! Such a great question deserves a great answer!
And here it is...

Friends, that's just not
the McFeely way!

Whether it was participating in Bake Sales to end the war in VIETNAM, or selling Raffle Tickets to fight APARTHEID, or writing Heartfelt Letters beseeching Mr. Gorbachev to TEAR DOWN THAT WALL, my driving force in life has always been to End Suffering and Spread Light into the darkest corners of the Human Condition.

But hey, don't take my word for it! Let's see what some of my many friends and admirers have to say:

"Baba McFeely provides a Ray of Hope lighting the path to a brighter future for a spiritually oppressed humanity!" -Sarah T, Youngstown, OH

"This is the right man at the right time. If anyone can deliver mankind to a New Age of Super Radiance and Eternal Bliss, it's Guru Ned!" -Mark D., Taos, NM

"Master McFeely's course gets right to the heart of the matter. I can feel myself getting more enlightened every day!" -Shelly S., Kowloon

"Shri Shri Ned received his calling at an early age and has answered with his new Spiritual MasterClass designed to bring the human race out of the shadows and into the light, and all at a very attractive price!" -GK, Anchorage, AK

Wow guys, thanks! You can't make up praise like that!

Oh sure, I could just go off and live my wonderful life and leave the rest of humanity huddled in state of Spiritual Endarkenment...

...but that's not how the Nedster rolls!

I hear your silent WAILS! I feel your ancient PAIN! I detect a Great Disturbance in the Force that tells me all is not right with my fellow man!

And yes, by gosh, I don't care if it sounds corny, but I consider it my Moral Obligation and Spiritual Duty to leave the world a better place than I found it. In fact, I have taken the Sacred Bodhisattva Vow to never rest until ALL SUFFERING HAS ENDED and ALL SENTIENT BEINGS have achieved TOTAL SPIRITUAL LIBERATION!

You heard me right...

Total Spiritual Liberation for All Sentient Beings!

Yep, that's a pretty tall order and I may not succeed, but gosh darnit, I'm giving it my best shot. I'm sorry to get so worked up, but waking a slumbering humanity is a big job and I take it pretty darn seriously!

Do you ever get tired of being a member of the Great Unwashed? Do you ever wish that your Soul could be Clean and White like an angel's wing instead of Crusty and Gray like an old sweatsock? Do you ever wish you could live forever in a state of Heavenly Radiance and Perfect Bliss 24/7/365?

Sure you do! It's only natural. But did you also know that these goals are within easy reach? That's what I'm here to share with you today. *(And you thought this was just a cheesy sales pitch, HA!)*

See what other people just like you are saying about the wonderful world of Spiritual Enlightenment:

“Enlightened and lovin’ it! Thanks Master Ned!”

-Candy P. Boca Raton, FL

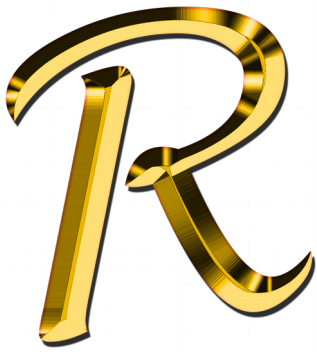

“If I knew it was this easy, I would’ve gotten enlightened years ago!” -Larry W., Istanbul

“No amount of money would be too much for this experience. Guru McFeely is the greatest!”

-Barry T., Smithfield, TN

“Don’t put your dreams on hold. Do yourself a favor and get this course today!” -Bridget W., Bangkok

Thanks guys, you’re the best!

RIGHT NOW, you might be feeling like you're not a candidate for Merging with Universal Mind. Maybe you think you're too old, too unworthy, or just too lazy to master the subtle complexities of Divine Union with the All-Knowing, All-Seeing Godhead, and maybe you are. But wait!

It's Not Your Fault!

All your life you have been a victim. You have been held back by a family and society that has failed to nourish and cultivate your *ISP* (Infinite Spiritual Potential), and has kept you trapped in the *Bol* (Bondage of Ignorance) even as you harbor a secret desire to *spread your wings* and *soar to hitherto unimagined heights!*

Well, now is your chance to prove the naysayers wrong! Now is your chance to take action, to make a positive step in the direction of your own spiritual evolution!

But hey, c'mon, let's be honest. I've been where you are. I know what you're saying right now. You're saying...

*"But Guru Ned, are Total Enlightenment,
Oceanic Bliss and Unity Consciousness
really right for me?"*

I know you have a hectic lifestyle. I know you have a job and a mortgage payment and kids and bills and, as the Immortal Bard would say, the thousand natural shocks that flesh is heir to, but, *as the Bard would also say...*

Spiritual Enlightenment is a consummation devoutly to be wished!

In my twelve-part home-study *Spiritual Success! Enlightenment MasterClass*, you'll learn the Four Steps of the Royal Path: Open, Awaken, Perceive and Communicate!

Open your 3rd Eye, and 4th and 5th and even 6th! Why limit yourself to 3?

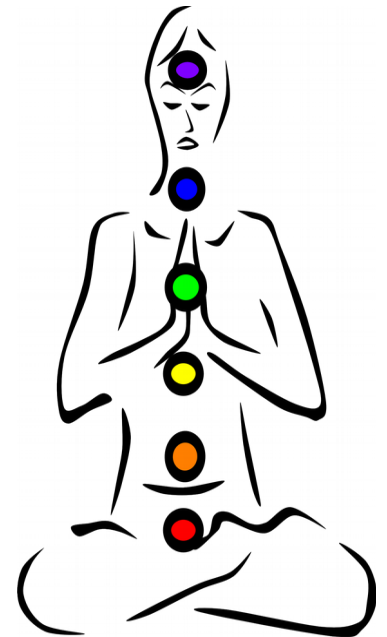

Awaken the rumbling Kundalini Serpent coiled in your lower bowels.

Perceive your Aura. Buff out age spots and unsightly blemishes.

Communicate with Ascended Beings who are eager to hear from you!

And much, much more!

Wouldn't you agree that giving all your earthly possessions now and in perpetuity in exchange for The Peace that Surpasseth All Understanding is a pretty good deal?

Heck yeah, right?

But wait! Just because you have attained complete and abiding Spiritual Enlightenment doesn't mean you don't need your car or your flatscreen TV or your golf clubs anymore! Am I the kind of bum who would strip you down to your last nickel? *Heck no, Little Joe!* That may be how those other guys do it, but not your friend Master Ned!

So now, without further ado...

This special knowledge of Total Enlightenment and Perfect Bliss is only a phone call away! (Act now, and you will also receive a free 30 minute phone consultation with a Master Ned-certified Enlightenment Facilitator, part of our Gold-Standard Spiritual Buddy System! A \$600 value!)

NO vows of Silence, Solitude or Celibacy, or even avoiding sugary desserts.

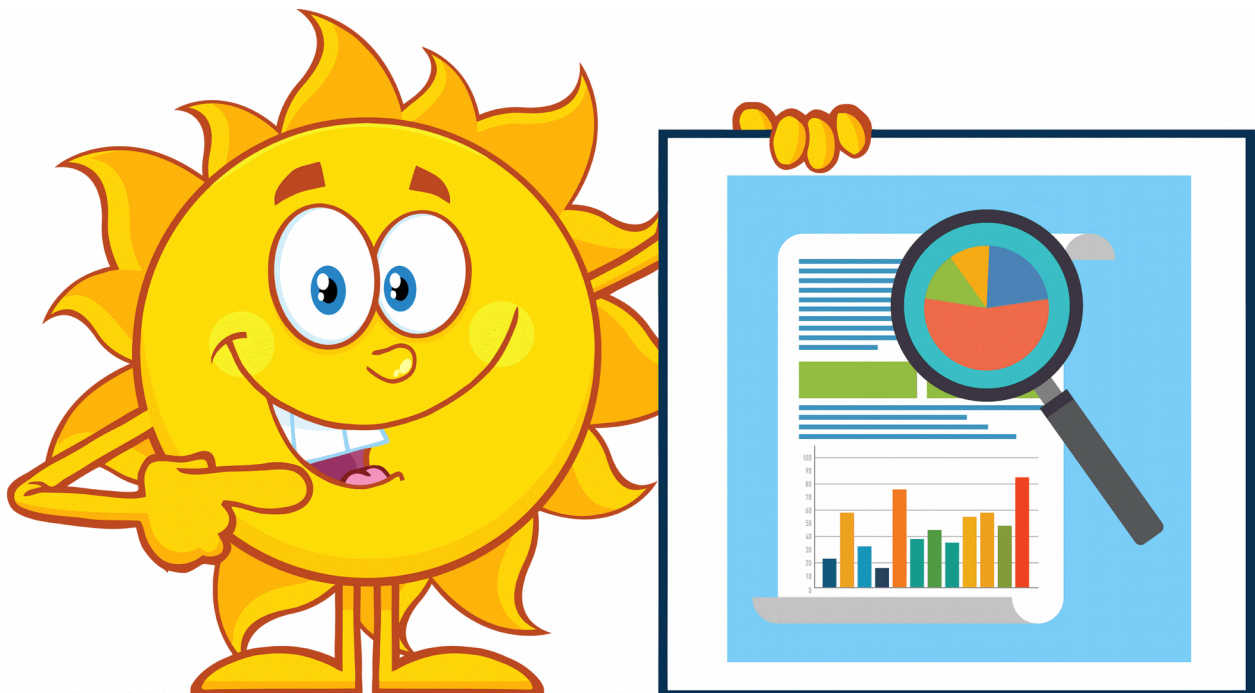

NO getting whacked with a stick because you don't know the sound of a barkless dog!

NO abstaining from sex, drugs and whatever else you kids are getting up to these days!

You won't even have to take a vow of poverty because the price of the course will break your bank! (*Ha ha! Just kidding! It's very reasonable!*)

Like Scientific-Looking Tables?
Well, this course is loaded with them!

Isn't it time *You* were the Star of Your Own Show?

Still not sure Spiritual Enlightenment is right for you? Not sure how it will fit in with your busy family life and work schedule? And what about the neighbors? What will Fred and Ethel downstairs think when they see you enjoying a full and abiding spiritual awakening while they're slipping ever-deeper into depression, debt, alcoholism, and ultimately, DEATH?

Great question! Glad you asked!

Why be a Fred when you can be a Ricky? Why be an Ethel when you can be a Lucy? Why shouldn't it be *your* name in lights? Why shouldn't *you* be the star of your own show or headlining your own act at the Tropicana?

**Why be a Fred and Ethel
when you can be a Ricky and Lucy?**

Why shouldn't *you* be the one in the spotlight? Why shouldn't *you* be the one soaking up all the glory and adoration and worship that comes with being a Fully Enlightened Spiritual Master?

Let's make that happen today!

Pssst!! Let me tell you a little secret...

Here's a little-known fact that those other guys won't tell you: Most *SEEKERS*, no matter how devout, well-intentioned and sincere, will *never* become *FINDERS*.

Yes, that's very sad, but I am proud to say that we boast one of the highest Seeker-to-Finder Conversion Rates in the industry! So now you can get off that merry-go-round and start making real progress, not in *years* or *lifetimes*, but by this time tomorrow!

And here's the **REALLY BIG SECRET** those other spiritual solution-providers don't want you to know:

THEY don't actually want you to become enlightened because then **THEY** lose a customer and gain a competitor! **THEY** are afraid that if they actually deliver the goods to *you*, *you'll* go out and deliver those goods better and cheaper to *other* people... and put **THEM** out of business!

But not good ol' Master Ned, I can tell you that!

I welcome the competition! I hope you'll take my teachings and techniques and share them with the world. I hope you'll tell two friends and they'll tell two friends and before you know it, we've enlightened the world.*

* Resale rights sold separately.

But here's the biggest secret of all...

**You're already enlightened,
you just don't know it!**

Wow! How *crazy* is that? Pretty crazy, *right*? But it's TRUE! All this time you've been looking all over the place for something, when it was like your own butt. . .

It's been Right Behind You the Whole Time!!!

*(But hey! Don't feel stupid that you couldn't find it.
Feel happy that you found Guru Ned!)*

You see, you can never become enlightened because you were never unenlightened in the first place! All you have to do to wake up is stop pretending you're not awake! The reason you can't *find* enlightenment is because you're *looking* for it! Stop looking and *voila!* There it is!

But how do you *actually* wake up and reclaim your naturally enlightened state?

- By meditating for months and years and decades because you believe it all adds up?
- By devoting yourself to some Guru who doesn't even remember your birthday?
- By foregoing the finer things in life and living in self-imposed poverty?

Heck no! Why go through such frustration when all you have to do is pick up the phone, pull out your credit card, and place your order today? *My course tells you all you need to know!*
